Protective cover with type 70T: SH70T

Protective cover with type 550: SH550

Each piece of furniture is handmade and unique. Deviations to the listed measurements may be caused by:
1. different upholstery materials (fabric, leather), 2. processing of ticking mats, 3. the pressure to combine individual parts, etc.
The seat comfort of a sofa type with larger seat depth usually differs from one with lower depth.

Combinations:
